

## Curriculum Vitae of: **Sandra M. Stone, CFE**

---

### GENERAL BACKGROUND

Since 1999, Ms. Stone has focused her career on investigating and analyzing complex claims. She has extensive experience in matters dealing with crime claims for private and public commercial businesses, not-for-profit and healthcare organizations; fidelity bond claims for banks, community banks, credit unions, ERISA, broker-dealers, investment advisers and insurance companies; and cyber/e-theft claims for commercial businesses and financial institutions. Ms. Stone has participated in mediations, testified in court and has given depositions on numerous occasions. She has analyzed and compiled financial information and testimony to support various litigated matters. Ms. Stone has presented crime insurance issues and related case law topics at fidelity conferences sponsored by the American Bar Association and the Fidelity Law Association, crime conferences sponsored by underwriters and brokers, and training sessions for underwriters and claims examiners.
